

• Question No. 1

Select the correct combination of mathematical signs that can sequentially replace the * signs and balance the given equation:

$$76 * (5 * 8 * 4) * 9 * 75$$

Options :

1. + - x ÷ =

2. + x ÷ - =

3. ÷ - x + =

4. - x ÷ + =

5.

Answer : - x ÷ + =

• Question No. 2

If each of the letters in the English alphabet is assigned odd numerical value beginning A = 1, B = 3 and so on, what will be the total value of the letters of the word RADIAL.

Options :

1. 90

2. 85

3. 89

4. 84

5.

Answer : 84

• Question No. 3

Anuj is father of Chitra and Dinesh. Anuj is son of Bimla. Ram is brother of Anuj. If Chitra is sister of Dinesh, how is Ram related to Bimla?

Options :

1. Brother
2. Grand-son
3. Son
4. Father
- 5.

Answer : Son

• Question No. 4

Select the pair of words from the given options that shares a similar relationship as:

Pressure : Barometer.

Options :

1. Scale : Seconds
2. Voltmeter : Heat
3. Thermometer : Volume
4. Current : Ammeter
- 5.

Answer : Current : Ammeter

• Question No. 5

Select the option that is related to the third term in the same way as the second term is related to the first term.

17 : 361 :: 21 : _____

Options :

1. 729
2. 529
3. 625

4. 421

5.

Answer : 529

• Question No. 6

Select the number that will replace the question mark (?) in the following series.

9, 12, 7, 14, ?, 16, 3, 18

Options :

1. 10

2. 21

3. 5

4. 6

5.

Answer : 5

• Question No. 7

Three of the following four letter-clusters are alike in a certain way and one is different. Choose the odd one.

Options :

1. OLF

2. ZWQ

3. QNH

4. MIC

5.

Answer : MIC

• Question No. 8

Four number-sets have been given, out of which three are alike in some manner and one is different. Select the number-set that is different.

Options :

1. 17, 37, 54
2. 19, 39, 58
3. 22, 45, 67
4. 26, 53, 79
- 5.

Answer : 17, 37, 54

- Question No. 9

Select the term that will replace the question mark (?) in the following series.

CTE, JOH, QJK, ?

Options :

1. YFM
2. YEN
3. XFN
4. XEN
- 5.

Answer : XEN

- Question No. 10

A group of letters is given which are numbered 1 to 8. Four options given below depict combinations of these numbers. Select that combination of numbers so that letters arranged accordingly form a meaningful word.

N	T	Y	A	S	R	E	C
1	2	3	4	5	6	7	8

Options :

1. 8, 7, 5, 2, 6, 3, 1, 4
2. 6, 3, 5, 2, 1, 4, 7, 8
3. 4, 1, 8, 7, 5, 2, 6, 3
4. 3, 5, 2, 6, 4, 7, 1, 8
- 5.

Answer : 4, 1, 8, 7, 5, 2, 6, 3

• Question No. 11

Which thing the Harappans were first to produce?

Options :

1. Bronze
2. Cotton
3. Wood
4. Stone
- 5.

Answer : Cotton

• Question No. 12

For estimating poverty line in India, periodical sample survey is conducted by:

Options :

1. National Survey Organization
2. National simple Sample Organization
3. National Sample Survey Organization
4. International Survey Organization
- 5.

Answer : National Sample Survey Organization

- Question No. 13

After a violent episode of peasants occurred at Police station of Chauri Chaura, near Gorakhpur in UP, M.K Gandhi suspended non-cooperation movement on_____.

Options :

1. 12 Mar 1922

3. 12 Feb 1922
4. 12 Feb 1921
- 5.

Answer : 12 Feb 1922

- Question No. 14

During Harsha Vardhan's period which Chinese pilgrim visited India?

Options :

1. Hiuen Tsang
2. Nishka
3. Faxian
4. Sung Yun
- 5.

Answer : Hiuen Tsang

- Question No. 15

In the Indian Constitution, the idea of concurrent list has been borrowed from

Options :

1. Ireland
2. United Kingdom

3. Canada
4. Australia
- 5.

Answer : Australia

• Question No. 16

Which Indian state has the maximum number of slums according to the data released by the Housing and Urban Poverty Alleviation Ministry?

Options :

1. Tamil Nadu
2. Maharashtra
3. Gujarat
4. Bihar
- 5.

Answer : Maharashtra

• Question No. 17

For the Poverty Alleviation Programme in India, which one is not a valid reason?

Options :

1. Employment level
2. Lack of right targeting
3. Income level
4. Lack of proper implementation
- 5.

Answer : Lack of right targeting

• Question No. 18

Which Mahajanapada in Ancient India had the capital named Champa?

Options :

1. Assaka
2. Surasena
3. Kosala
4. Anga
- 5.

Answer : Anga

- Question No. 19

To conserve natural resources for long term use, which of the three R's will help us?

Options :

1. Recycle, Regenerate, Reuse
2. Reduce, Regenerate, Reuse
3. Reduce, Reuse, Recycle
4. Reuse, Redistribute, Reduce
- 5.

Answer : Reduce, Reuse, Recycle

- Question No. 20

In which state of India the Hornbill Festival is celebrated?

Options :

1. Mizoram
2. Nagaland
3. Tripura
4. Assam
- 5.

Answer : Nagaland

• Question No. 21

Which of the following in MS-Excel 2019 allows to illustrate workbook data graphically, which makes it easy to visualize comparisons and trends?

Options :

1. Charts
2. Pivot table
3. Autofill
4. Autosum
- 5.

Answer : Charts

• Question No. 22

Which of the following commands is used to go to the Design tab in MS-Word 2019?

Options :

1. Alt+F
2. Alt+G
3. Alt+N
4. Alt+H
- 5.

Answer : Alt+G

• Question No. 23

Which of the following groups does not belongs to Mailings tab of MS-Word 2019?

Options :

1. Write & Insert Fields
2. Finish
3. Proofing
4. Create
- 5.

Answer : Proofing

• Question No. 24

In MS-PowerPoint 2019, which of the following options is not valid to start creating a new presentation?

Options :

1. Design
2. Blank
3. Template on Microsoft.com
4. Format
- 5.

Answer : Format

• Question No. 25

Which of the following is component where email is received and managed?

Options :

1. Spam
2. Sent mail
3. Trash
4. Inbox
- 5.

Answer : Inbox

• Question No. 26

Which of the following displays the slide show on a monitor or computer projected large screen in MS-PowerPoint 2019?

Options :

1. Overhead transparencies
2. Web page
3. Handouts
4. On-screen slide show
- 5.

Answer : On-screen slide show

• Question No. 27

Which of the following options is used to display the content of active cell in MS-Excel 2019?

Options :

1. Scroll bar
2. Formula bar
3. Title bar
4. Ruler
- 5.

Answer : Formula bar

• Question No. 28

Which of the following in MS-PowerPoint 2019 is used to display group of related commands within tabs?

Options :

1. Work Area
2. Collapse

3. View Options
4. Ribbon
- 5.

Answer : Ribbon

• Question No. 29

Which of the following MS-Excel 2019 features helps us to add the contents of a cluster of adjacent cells?

Options :

1. Charts
2. AutoSum
3. AutoFill
4. PivotTable
- 5.

Answer : AutoSum

• Question No. 30

Which of the following options in MS-Word 2019 is used to change the structure and layout of pages in a document?

Options :

1. Arrange
2. Editor
3. Page Setup
4. Styles
- 5.

Answer : Page Setup

• Question No. 31

Identify the segment in the sentence which contains a grammatical error.

The various aims of each government is, undoubtedly, reasonable but the problems still remain.

Options :

1. but the problems still remain.
2. of each government is
3. The various aims
4. undoubtedly, reasonable
- 5.

Answer : of each government is

- Question No. 32

Select the most appropriate synonym of the given word.

ENTANGLE

Options :

1. Explain
2. Release
3. Exclude
4. Involve
- 5.

Answer : Involve

- Question No. 33

Disproportionate

Options :

1. Disproportionate
2. Displease

3. Distinguish
4. Dissatisfy
- 5.

Answer : Distinguish

• Question No. 34

Select the most appropriate word for the given group of words.

a slowly moving mass or river of ice

Options :

1. avalanche
2. typhoon
3. glacier
4. blizzard
- 5.

Answer : glacier

• Question No. 35

Fill in the blank with the most appropriate phrase.

Due to the network issue, the call suddenly got_____.

Options :

1. cut down
2. cut up
3. cut out
4. cut off
- 5.

Answer : cut off

Direction:

In the following passage some words have been deleted. Fill in the blanks with the help of the alternatives given.

Select the most appropriate option for each number.

My elder brother was 5 years older than me. Though we started 1._____at same age he was only three grades ahead me. When it 2._____to important subjects like education only devil 3._____rush him. • Question No. 36

Select the most appropriate option to fill in the blank No. 4.

Options :

1. Felt
2. Wanted
3. Imagined
4. Thought
- 5.

Answer : Wanted

Direction:

In the following passage some words have been deleted. Fill in the blanks with the help of the alternatives given.

Select the most appropriate option for each number.

My elder brother was 5 years older than me. Though we started 1._____at same age he was only three grades ahead me. When it 2._____to important subjects like education only devil 3._____rush him. He was a perfectionist and he 4._____his basics to be strong enough to support a skyscraper. He took 2 years 5._____the work of one year.

• Question No. 37

Select the most appropriate option to fill in the blank No. 1.

Options :

1. Tuition
2. Schooling
3. Teaching
4. Coaching
- 5.

Answer : Schooling

Direction:

In the following passage some words have been deleted. Fill in the blanks with the help of the alternatives given. Select the most appropriate option for each number.

My elder brother was 5 years older than me. Though we started 1._____at same age he was only three grades ahead me. When it 2._____to important subjects like education only devil 3._____rush him. He was a perfectionist and he 4._____his basics to be strong enough to support a skyscraper. He took 2 years 5._____the work of one year.

- Question No. 38

Select the most appropriate option to fill in the blank No. 5.

Options :

1. Completed
2. to completing
3. to complete
4. complete
- 5.

Answer : to complete

Direction:

In the following passage some words have been deleted. Fill in the blanks with the help of the alternatives given. Select the most appropriate option for each number.

My elder brother was 5 years older than me. Though we started 1._____at same age he was only three grades ahead me. When it 2._____to important subjects like education only devil 3._____rush him. He was a perfectionist

and he 4._____his basics to be strong enough to support a skyscraper. He took 2 years 5._____the work of one year.

• Question No. 39

Select the most appropriate option to fill in the blank No. 3.

Options :

1. Can
2. Could
3. Would
4. Should
- 5.

Answer : Could

Direction:

In the following passage some words have been deleted. Fill in the blanks with the help of the alternatives given. Select the most appropriate option for each number.

- 5.

Answer : First in first out for ingredients

- Question No. 61

With respect to Quality Control, to correct errors and prevent repetition, 5 W's need to be answered. Which one of the following is not one of them?

Options :

1. Why was it made
2. Where was it made
3. What error was made
4. Whom was it reported to

5.

Answer : Whom was it reported to

• Question No. 62

An in-house reference sample for which one or more property values have been established by the user laboratory is called the:

Options :

1. Blind sample
2. Test sample
3. Spiked sample
4. Control sample
- 5.

Answer : Control sample

• Question No. 63

Epidemic dropsy is caused by:

Options :

1. Mycotoxins
2. Argemone oil
3. Lathyrus sativus
4. Mustard oil
- 5.

Answer : Argemone oil

• Question No. 64

Surface ropiness in milk is caused by:

Options :

1. Alcaligenes viscolactis
2. Clostridium perfringens
3. Pseudomonas fluorescens
4. Leuconostoc spp
- 5.

Answer : Alcaligenes viscolactis

• Question No. 65

Active packaging systems use oxygen scavengers while packaging grated cheese to:

Options :

1. Prevent enzymatic browning
2. Retain Vitamin C
3. Prevent mold growth
4. Decrease level of condensation
- 5.

Answer : Prevent mold growth

• Question No. 66

Foods which have the potential to prevent disease and promote good health are called:

Options :

1. Special foods
2. GM foods
3. Nutraceuticals
4. Organic foods
- 5.

Answer : Nutraceuticals

- Question No. 67

The essential amino acid in short supply in cereals is:

Options :

1. Phenylalanine
2. Methionine
3. Isoleucine
4. Lysine
- 5.

Answer : Lysine

- Question No. 68

With respect to Non-Communicable Diseases, which one of the following statements is INCORRECT:

Options :

1. They are also called Life-style related diseases
2. They cannot be prevented
3. Obesity predisposes a person to Non-Communicable Diseases
4. Excessive intake of saturated fats and cholesterol should be avoided
- 5.

Answer : They cannot be prevented

- Question No. 69

Fats perform the following functions except for one function. Which function does fat NOT perform?

Options :

1. Stimulates peristalsis and eliminates fecal waste
2. Helps absorb fat soluble vitamins
3. Provides thermal insulation

4. Adds satiety value and flavour

5.

Answer : Stimulates peristalsis and eliminates fecal waste

- Question No. 70

Another term for provitamin is:

Options :

1. Preformed vitamin
2. Active form of vitamin
3. Coenzyme
4. Precursor
- 5.

Answer : Precursor

- Question No. 71

Which one of the following statements is INCORRECT with respect to mass spectrometry?

Options :

1. Can measure difference between mass of different isotopes of the same atom
2. Can determine types of elements in compounds
3. Can determine the amino acid profile of a protein
4. It is used to determine a particles mass
- 5.

Answer : Can determine the amino acid profile of a protein

- Question No. 72

What is the tagline for the 'Eat Right India' movement?

Options :

1. Sahi Poshan – Desh Roshan
2. Sahi Bhojan, Behtar Jeevan
3. Ek Kadam Swatchta Ki Aur
4. Jago Grahak, Jago
- 5.

Answer : Sahi Bhojan, Behtar Jeevan

• Question No. 73

Which of the following dietary fibres is from of a non-carbohydrate source?

Options :

1. Lignin
2. Algae
3. Pectin
4. Mucilage
- 5.

Answer : Lignin

• Question No. 74

Which of the following statements is INCORRECT with respect to Algal toxins in shellfish and fish in oceans?

Options :

1. Enter the body of fish and shellfish and can be retained
2. Cause symptoms of food poisoning, tingling and paralysis
3. They have no smell or taste
4. Are eliminated by cooking and freezing
- 5.

Answer : Are eliminated by cooking and freezing

- Question No. 75

Which one of the following statements is INCORRECT for sprouted pulses?

Options :

1. Sprouting increases the content of B-complex and C Vitamins
2. Sprouting increases availability of nutrients
3. Sprouting increases digestibility
4. Sprouting increases the shelf-life
- 5.

Answer : Sprouting increases the shelf-life

- Question No. 76

The best practices for frying food include all of the following EXCEPT:

Options :

1. Mixing the used cooking oil with new oil in the oil container
2. Using oils which have a high smoke point
3. Using stainless steel frying pans
4. Removing food particles from oil frequently before they char
- 5.

Answer : Mixing the used cooking oil with new oil in the oil container

- Question No. 77

'My Plate for the Day' which promotes health, prevents hidden hunger and protects from diseases was developed in the year?

Options :

1. 2015
2. 2011

3. 2021

4. 2018

5.

Answer : 2018

• Question No. 78

With respect to probiotics, which of the following statements is INCORRECT?

Options :

1. They are live microorganisms present in some foods which we eat
2. They colonize the large intestine and can combat harmful Bacteria
3. They survive pasteurization and cooking temperatures
4. Probiotic bacteria are added to processed foods for their health benefits
- 5.

Answer : They survive pasteurization and cooking temperatures

• Question No. 79

Most foods have a water activity above:

Options :

1. 0.9
2. 0.65
3. 0.85
4. 0.95
- 5.

Answer : 0.95

• Question No. 80

The toxin produced by Clostridium botulinum is a/an:

Options :

1. Neurotoxin
2. Hemolysin
3. Enterotoxin
4. Hepatotoxin
- 5.

Answer : Neurotoxin

• Question No. 81

In-house procedures for continuous monitoring of operations and systematic day-to-day checking of produced data for reliability in the Analysis Laboratory is called:

Options :

1. External Audit
2. Quality Management
3. External Quality Control
4. Internal Quality Control
- 5.

Answer : Internal Quality Control

• Question No. 82

Fruits and vegetables are blanched during processing mainly to:

Options :

1. Eliminate enzymes and microorganisms
2. Reduce processing time
3. Destroy insects and pesticide residues
4. Remove foreign material like stalks and soil
- 5.

Answer : Eliminate enzymes and microorganisms

• Question No. 83

Which one of the following CANNOT be called a Non-Communicable Disease?

Options :

1. Cancer
2. Atherosclerosis
3. Diabetes
4. Hepatitis
- 5.

Answer : Hepatitis

• Question No. 84

Which one of the following statements is incorrect with respect to microbial enzymes?

Options :

1. They have better stability than plant or animal enzymes
2. Use of enzymes or microorganisms in food is a recent development
3. They are produced through fermentations
4. They offer huge economic benefits to the industry
- 5.

Answer : Use of enzymes or microorganisms in food is a recent development

• Question No. 85

Walnuts are a rich source of:

Options :

1. Alpha-linolenic acid (ALA)

2. Butyric acid
3. Stearic acid
4. Ricinoleic acid
- 5.

Answer : Alpha-linolenic acid (ALA)

- Question No. 86

The enzyme which increases the bioavailability of thiosulfinates is:

Options :

1. Allinase
2. Inulase
3. Arylsulphatase
4. Diastase
- 5.

Answer : Allinase

- Question No. 87

As compared to conventional methods of extraction, green extraction technologies have the following advantages EXCEPT:

Options :

1. Time consuming
2. Low environment impact
3. High quality extract
4. Safe products
- 5.

Answer : Time consuming

- Question No. 88

The mold used in the preparation of Soya sauce is:

Options :

1. Aspergillus tamari
2. Penicillium chrysogenum
3. Rhizopus stolonifera
4. Aspergillus oryzae
- 5.

Answer : Aspergillus oryzae

- Question No. 89
