**Each of the following questions consists of a statement followed by two arguments I and II. Give answer**

- Question No. 26

**Statement :** Should officers accepting bribe be punished?

**Arguments :**

I. No. Certain circumstances may have compelled them to take bribe.

II. Yes. They should do the job they are entrusted with, honestly.

**Options :**

1. if only argument I is strong
2. if only argument II is strong
3. if either I or II is strong
4. if neither I nor II is strong
5. if both I and II are strong.

Answer : if only argument II is strong

Direction:

**Each of the following questions consists of a statement followed by two arguments I and II. Give answer**

- Question No. 27

**Statement:** Should India become a permanent member of UN's Security Council?

**Arguments:**

I. Yes. India has emerged as a country which loves peace and amity.

II. No. Let us first solve problems of our own people like poverty, malnutrition.

**Options :**

1. if only argument I is strong
2. if only argument II is strong
3. if either I or II is strong
4. if neither I nor II is strong
5. if both I and II are strong.

Answer : if only argument I is strong

Direction:

**Each of the following questions consists of a statement followed by two arguments I and II. Give answer**

- Question No. 28

**Statement:** Should the persons below the age of 18 years be allowed to join armed forces?

**Arguments:**

I. No. Persons below the age of 18 do not attain both physical and mental maturity to shoulder such burden.

II. Yes, this can makes our army more powerful.

**Options :**

1. if only argument I is strong
2. if only argument II is strong
3. if either I or II is strong
4. if neither I nor II is strong
5. if both I and II are strong.

Answer : if only argument I is strong

- Question No. 29

**Statement:** The Captain Amarinder Singh-led government in Punjab has announced free education for girls in government schools and colleges from Nursery to Ph.D.

**I.** Good social welfare law. It is initially for girls as they are comparatively disadvantaged. Hopefully, it will soon be followed by free education for everyone.

**II.** It is gender biased if a poor or average person wants to educate his son for higher education he has to pay higher bills. If you are introducing a law/scheme /bill under no circumstance it should not favour any particular gender, if they are concerned about education.

**III.** Do not differentiate a poor or average person on gender. A poor boy or man should also get free education as well.

Which of the following arguments holds strong for the given statement?

**Options :**

1. Only I and II
2. Only II
3. Only III
4. Only II and III
5. All of the above

Answer : Only II and III

Direction:

**Each question below is followed by two arguments numbered I and II. You have to decide which of the arguments is 'strong'.**

- Question No. 30

**Statement:** Should state police or central police be banned from firing indiscriminately on the rampant mob in a trouble-torn area?

**Arguments**

- I. Yes, humans should always be treated in a humanitarian way.
- II. No, this is the only way to restrict the rampant mob from indulging in illegal activities.

**Options :**

1. if only argument I is strong.
2. if only argument II is strong.
3. if either I or II is strong.
4. if neither I nor II is strong.
5. if both I and II are strong.

Answer : if only argument I is strong.

Directions: In each question below is given a passage followed by some inferences. You have to examine each inference separately in the context of the passage and decide upon the degree of truth or falsity of the inference.

Mark answer

Introduction: Inference is a conclusion drawn on the basis of knowledge of facts available. In questions on INFERENCES, a paragraph is followed by few Paragraphs. On the basis of the information given in the passage, we have to check the truthfulness or falsity of the given Paragraph. Each Paragraph can be put into one of the four categories.

definitely true

probably true

probably false

definitely false

**Paragraph:**

The India Directorate General of Civil Aviation (DGCA) has revised compensation guidelines for cancelling a flight or denying boarding to a flier. From August 1, an airline will have to pay up to Rs10,000 to a passenger if a flight is cancelled or delayed beyond two hours, while the compensation for not allowing a passenger to board the flight is up to Rs20,000. Today, airlines only offer up to Rs4,000 for both denied boarding and cancelling a flight.

- Question No. 31

**Inferences:**

There have been many customer complaints about delay of flights.

**Options :**

1. if you think that the answer is definitely true.
2. if you think that the answer is probably true.
3. if the data provided is inadequate to answer the question.
4. if the answer is definitely false.
5. if the answer is probably false.

Answer : if you think that the answer is probably true.
